SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
TO MAKE OF RECORD ART CITED BY THE USPTO IN RELATED CASES

Applicant submits this statement in accordance to the duty of disclosure under 37 C.F.R. §§1.56, 1.97, and 1.98, and requests consideration of this Information Disclosure Statement.

Compliance with 37 C.F.R. §1.97: This Information Disclosure Statement is not filed within three (3) months of the filing date of a National Application or before the mailing date of a first office action on the merits. A fee of \$180.00 is required and a check for this amount is enclosed. Please charge any additional fees or credit overpayment to Deposit Account 20-0449. A duplicate of this Statement is enclosed.

Information Cited: The Applicant hereby makes of record in the above-identified application, the information listed on the attached form PTO/SB/08A. It is noted that the enclosed compilation is a listing of all references cited by Examiners in related cases. The order of presentation of the references should not be construed as an indication of the importance of the reference. As all the references listed on attached Form PTO/SB/08A are in English, no commentary is required.

Remarks: Applicant submits herewith a listing on Form PTO/SB/08A of all references cited by the Examiners in this and related cases. As the Patent Office is already in

possession of each cited reference that is not a U.S. patent, no copies of non-patent references are required or submitted herewith. Applicants respectfully request that:

1. The Examiner consider completely the cited information, along with any other information, in reaching a determination concerning the patentability of the present claims;
2. The enclosed form PTO/SB/08A be signed by the Examiner to evidence that the cited information has been fully considered by the Patent and Trademark Office during the examination of this application; and
3. The citations for the information be printed on any patent that issues from this application.

By submitting this Information Disclosure Statement, the Applicant makes no representation that a search has been performed, of the extent of any search performed, or that more relevant information does not exist.

By submitting this Information Disclosure Statement, the Applicant makes no representation that the information cited in the Statement is, or is considered to be, material to patentability as defined in 37 C.F.R. §1.56(b).

By submitting this Information Disclosure Statement, the Applicant makes no representation that the information cited in the Statement is, or is considered to be, in fact, prior art as defined in 37 C.F.R. §102.

Notwithstanding any statement by the Applicant, the Examiner is urged to form his own conclusion regarding the relevance of the cited information.

An early and favorable action is hereby requested.

Please enter in the above application and communicate in all related matters with the undersigned. The Office is hereby authorized to charge any deficiency or credit any overpayment in the fees to deposit account #20-0449.

Date

4/3/2007

Respectfully submitted,
